In the words Jean Piaget, "The goal of education is not to increase the amount of knowledge but to create the possibility for a child to invent and discover to create citizens who are capable of doing new things". We have a great mission ahead and it is to help our students to learn the right thing and enable them to manifest what they have learnt. The manifestation of perfection is possible if our minds and hearts are united in marching towards the goal we have set.

Time constraint prevents me from mentioning the numerous other achievements of the College. On this occasion, I would like to conclude by once again extending my gratitude to God Almighty, Chief Guests, Members of Managing Committee and other dignitaries present here and all those associated with VSWC, who have believed in our vision of progress and perfection towards achieving success.

Thank You!

### VIDHYA SAGAR EMPOWERMENT CENTRE

The Empowerment Centre takes all efforts to promote women's empowerment and enhance the self-employment zeal. To tap the inborn talents of its members the centre conducted various certificate courses and 872 members were benefited due to these courses.

Empowering the employability among students, every year we introduce many career-oriented value added courses like Software testing, Tally, Advanced Excel and Basic Beauty Therapy.

### YOGA AND SELF DEFENSE COURSES

In commemoration with decennial year celebration, karate a self defense course was started in 2014 and is being taught to all the students in as a part of the regular college. Yoga is also being taught for their physical and mental well being. In the forthcoming year, it is proposed to include Yoga as part of the regular schedule

### SCHOLARSHIPS

Our management is always generous in supporting our students, who are economically and socially backward. Our management helps the deserving students by giving scholarships. This year a sum of Rs.2,38,860 has been given to the SC/ST students as scholarship. Apart from this scholarship is provided by way of 50% fee concession for school toppers and academic toppers in university exams and those who excel in sports.

### PLACEMENT CELL

Our students do not end just with securing excellent academic records. They get translated into fruitful career opportunities in several corporates. I have the pleasure to proudly state that the leading software companies namely Cognizant Technology Solutions, Royal Winding, Sundaram Finance, and Jeeleah Pharmaceuticals, have recruited sizeable number of students, designated at high levels and who are meticulously proving their excellence. Presently, 30 non-IT students have been placed in Tata Consultancy Services during January 2016. The placement cell proposes to organize a Job Fair on 26<sup>th</sup> February, 2016

As a concluding remark, I am much blessed to mention that as a mark of respect to honor our Mentors who have laid the threshold to the pathway of success, the statue of Sri. Chainmal Suranaji & Smt. Badankanwar Suranaji, Grandparents of our correspondent, was installed on 20<sup>th</sup> December 2015.

Finally, I would like to say that the achievements dreamt and visualized is surely the coordinated effort of the management, faculty and students. None exists without the other. This is what is called TEAM.

Teamwork divides that tasks and multiplies the success.

TEAM - Together Everyone Achieves More

Yes, very true but....

....Success is not a destination. It is a journey.

I thank God almighty for showering his choicest blessings on us and may he continue to bless us ever more.

LET VIDHYA SAGAR'S JOURNEY TO SUCCESS CONTINUE.....
