A one day workshop entitled, "Hands on Approach of SPSS in Research" on Friday, June 10<sup>th</sup> 2016 at VidhyaSagar Women's College, Chengalpattu. Dr. K.G. Jayaprakash, Prof. & Data Scientist, Centre for Statistical and Risk Management Solutions Chennai, was the resource person. The entire faculty of Arts and Science College attended the workshop.

Mrs. Geetha P. Asst. Prof. Dept. of Commerce welcomed the gathering. Introduction to the resource person was given by Mrs. G. Valarmathi, HOD, Dept. of Commerce. Dr. K.G. Jayaprakash was honored by Dr. C. Shalini Kumar, Principal, VidhyaSagar women's College, Chengalpattu.

Dr. K.G. Jayaprakash took over the dais and began the session with his orientation about data collection, interpretation and calculation in research. He stressed upon the statistical approach to research in social sciences, mathematics and science fields. He elaborated how statistics is of prime importance in research methodology. His interactive talk was accompanied by apt PowerPoint presentation on the calculation and interpretation of data.

The workshop concluded with the vote of thanks by Mrs. R. Revathi, Asst. Prof. Dept. of Commerce.
