# Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT (who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same. Also I wish to become like them. I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same. The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying. This act can only cause good to the reciter and is the holiest of all recitations.

# Song of Youth

As a young citizen of India,

Armed with technology, Knowldedge and love for my nation,
I realize, small aim is a crime.

I will work and sweat for a great vision, the vision of transforming India into a developed nation powered by economic strength with value system.

I aam one of the citizens of a billion,
only the vision will ignite the billion souls.
It has entered into me,
The ignited soul compared to any resources,
On the earth, above the earth and under the earth,

I will keep the lamp of knowledge burning to achieve the vision - Developed India.

- Dr. A.P.J. Abdul Kalam (Former President of India)

Iswar Chandra Vidhyasagar was born on 26th September1820. He spent his childhood in extreme poverty. At the age of eight he came to Kolkata with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathshala' and moved to Kolkata for higher studies. Under eminent professors he completed his graduation and earned the title "Vidhyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Ram Mohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style ,honesty, strong, determination, self- respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhya Sagar Women's College" was suggested by late Shri. Chainmalji Surana , the father of our Co-Chairman, Mr.Hastimal Surana. All the member of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to women's education. Inorder to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhya Sagar Women's College. The college now stands affiliated to the university of madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.
